## The Farmyard

Opens daily 10am

**Café@TheFarm** is owned and managed by **River Bourne Community Farm**.

The Farm is open every day and is Wiltshire's only free-to-visit Community Farm, making it accessible to everyone.

However, we are always grateful for any donations you can afford to help us to feed and care for all our animals and to continue to run the farm as the lovely community space that it is.

How you can donate:

- Visitors to the Farmyard can donate cash into the donations boxes that are located in the door near the entrance or in the Small Animal Barn.
- You can donate electronically by clicking the DONATE button on our website or by going to [www.ko-fi.com/RBCF](http://www.ko-fi.com/RBCF). This is simple, safe and quick to do. You will be given the option to make a one-off donation or you can choose to make a monthly contribution to the farm.
- You can donate via our Contactless Donation Stations, located in the Small Animal Barn or in the Café, using your credit/debit card or with Googlepay or Applepay if you are using your mobile device.
